

COMPANY PRESENTATION

About us

- RIVA, Argentine family-owned company, with over 50 years of experience.
Engineering and architectural works, *know-how* in construction, management, technical assistance and project supervision.
- Undisputable leadership in the Argentine market, both in medium and large-scale projects.
- General contractor for private third-party projects and own developments, experienced in different types of works, from sports stadiums and airports, to residential buildings and hospitals.
- RIVA provides the experience and solidity that only large companies can offer.
